Swordsman's Knacks

Against the Rails (P) – free raise when using Corp-a-Corps if your target is using Balance as his Defense Knack

Ambush (V/L) – contested roll of your Finesse + Ambush vs. target's Wits + Ambush
- if you win, target is surprised for 1 Round – their Passive Defense is 5 and they may not use any Actions, including Interrupt Actions

Arc (A/G; E/H) – increase range of bow/crossbow by 5 for each Rank in this Knack

Bear Hug (U/D) – when opponent attempts to break a hold you have him in and fails or a Round ends, roll a number of dice = your Knack and keep 1
- your opponent takes that many wounds and must immediately roll a Wound Check

Beat –
- use as attack
- roll Finesse + Beat
- must roll a number of raises = to enemy's Brawn
- if success full cannot be avoided with any Active Defense

Belay That (P) – 2k2 + Brawn damage when attacking with a belaying pin
- no off-hand penalty when attacking with belaying pin

Bind –
- only usable against fencing weapon
- use as attack
- neither you or enemy can use bound weapon
- to break, enemy must spend 1 Action Die and roll a contested roll: his Brawn + Parry vs. your Brawn + Bind
- you can spend Action Die to improve your hold; each action you spend this way gives you 1 Free Raise from now on when enemy tries to break the bind
- Enemy can simply let go, but you end up holding the weapon

Bob 'n' Weave (A/F) – when opponent misses you either by Active or Passive Defense, lower your next Action Die by 1 for evey rank you have in this Knack (you may not lower a die below the current Phase)

Charge – may lower 1 Action Die by your Rank in this Knack (minimum of 1) just before Phase 1 of first Round of each combat

Conceal - roll Conceal, this is the Target Number for enemy to see thru concealment
- if enemy searches you = 1 Free Raise for them
- if enemy thoroughly searches = 2 Free Raises

Corp-a-Corps - use as attack
- if gets thru you inflict 0k1 attack and enemy becomes prone
- must make a number of Raises = target's Finesse

Dagger Ride (P) - spend one Action Die and drive your knife into a nearby sail and ride it to the deck, avoiding falling damage
- while descending you can attack someone below you using Finesse + Balance, if the attack succeeds, inflict 1d damage for every 2 levels descended, round down

Death from Above (P) - if at least one level above target, spend 1 Action Die to swing down and attack using Panache + Swinging
- if succeeds, do 3k1 damage and your opponent becomes prone
- if fails, you must roll Panache + Swinging against TN 15 or become prone

Disarm - you can only use is enemy has just missed your Passive Defense
- spend 1 Action Die to make a contested roll of your Brawn + Disarm vs. his Brawn + Attack (in weapon he is using)
- If you win, his weapon is knocked out of his hand
- If you win with 2 Raises you end up with his weapon

Double Attack (V/S) - you may make 2 quick Axe attacks against a target, one right after the other
- you must declare you are using this before you attack
- roll 2 attacks at +10 to the target's TN

Double Parry - parry with 2 blades crossed before you
- success grants 1 Drama Die which can be used for a number of phases equal to your rank in this maneuver
- if not used by end of the Round, you lose the Drama Die

Exploit Weakness - if you know enemy's style weakness, you gain a number of unkept dice equal to your Rank in his style Exploit Weakness to all of your Attack and Active Defense rolls

Exploit Weakness (Monster) (E/G) - if you fight a monster whose Exploit Weakness you have, you gain a number of unkept dice equal to your Rank in his style Exploit Weakness to all of your Attack and Active Defense rolls

- Types of monsters include: aspreys, kobolds, sirens, etc. Intelligent creatures such as Sidhe and humans are not considered monsters

Feint - use as attack

- roll Finesse + Feint + number of raises = to enemy's Wits
- if successful he cannot avoid with Active Defense

Fortitude (U/D) - for every Rank you have in this Knack add +1 to all Wound Check rolls

Hold your Liquor (P) - receive Able Drinker Advantage for free

- 1 Free Raise when attacking with beer mug (improvised weapon: 0k1)

Horse Archery (U/Bu) - replaces the Attack (bow) Knack when firing a bow from horseback

Kick Up (P) - grab sword off the ground and attack in same Action if you are standing right next to it at the start of your Action

Lance - Polearm

- this replaces Attack (polearm) when using polearm from horseback

Lunge - use as attack

- if your attack is successful, you get 2k0 added to damage
- when using Lunge, your TN to be hit is 5 for this Phase only and you may not use any Active Defense for the rest of this Phase

Order (E/S;U) - Each of the Swordsman Knacks for Steil and Unabwendbar correspond to entries on the Army Tactics chart on page 101 in Eisen Nations book

- when a General chooses a tactic that he has the Knack for, he add a number of points = to his Master Level x his Rank in the appropriate Orders Knack to his Strategy Roll for that Round of Battle
- ie. If a General is a Master (Rank 3) and has Charge Knack at 5; he would add 15 to his roll each Round he chooses Charge

Over the Side (P) - +1 to Boarding rolls on your side (up to 3 Rogers swordsmen may modify the roll of a single side)

Parry with Lantern (V/L) – this Knack can be used as your Defense Knack while you wield a lantern

Pin (V/C) – use a missile weapon to pin an opponents hand to a surface
- throw single missile weapon using this Knack
- +10 to TN (cannot be negated with Trick Shooting)
- if succeeds, opponent's arm is pinned and he drops whatever he is holding and he must spend 1 Action Die to free himself
- can only be used on targets wearing cloth or other soft clothing (does not work on armor)

Pommel Strike - use as attack
- if attack gets thru, you inflick 0k2 attack and enemy's TN to be hit is 5 until the end of the next Phase

Quick Draw (P) – you may draw and fire a pistol in one Action

Reload Crossbow (E/H) – for every rank you have in this Knack, decrease reloading time by 2 Actions

Reload Firearm (V/R) – for every rank you have in this Knack, decrease reloading time by 1 Action

Riposte - is a parry followed by an immediate counterattack
- first, attempt Active Defense again incoming Attack
- if Active Defense is successful, make an Attack of your own on the enemy that just attacked you
- you receive ½ the dice from your Parry Knack (round down) for your Active Defense and ½ the dice from your Attack Knack (round down) for your counterattack
- for every Rank in Riposte, you may add one die to either the Active Defense or the counterattack (these dice are added after you've halved the appropriate Knacks

Sea Legs (P) – +1k1 when using Balance (does not increase your TN to be hit when using Balance as Defense Knack but does improve your Active Defense roll)

Side-Step - whenever you use Active Defense successfully, you may lower your next Action Die by your Rank in this Knack
- you may not lower next Action Die below the current Phase

Sidearm (P) – no off-hand penalty when using a pistol

Stop-Thrust – when enemy attacks you, you may spend a Held Action or current Action (cannot use an Interrupt Action) to perform a stop thrust
- roll Wits + Stop-Thrust as an attack vs. enemy
- if you hit, you deal 3k2 wounds to enemy
- if this causes a Dramatic Wound, the attack they were performing is cancelled

Tagging – particularly flashy showing off w/weapon
- use as attack
- if successful, it causes no damage; however, you can either 1) cause your enemy to lose 1 Drama Die until the end of the battle (at which point it returns)
- 2) you gain 1 Drama Die until the end of the battle (at which point it disappears if unspent)
- these Drama Die never convert into Experience Points

Throw (Hand Axe) (V/S) – when you throw a Hand Axe as a weapon you **must** use this Knack instead of your Attack Knack

Throw (Heavy Weapon: Axe) (U/Bo) – throw an axe (heavy weapon sized not a hand axe) as an attack; use this Knack instead of Attack (Heavy Weapon)
- the range of your axe is Brawn x2 in yards

Trick Riding (U/Bu) – may stand while riding (TN 15)
- may do handstands on horseback (TN 20)
- may hang off one side of horse for cover (TN 20)
- a well trained mount may reduce TN by 5 at GM's discretion

Trick Shooting (E/H;V/C;V/R) – for each Rank of this Knack –5 from any penalties to your shot (cannot lower TN below base TN, nor can it be counted towards Raises to Damage)
- can be applied to called shots

Wall of Steel (Fencing) – if you have not attacked this Round, then each Rank in this Knack raises your TN to be hit by 2 if you use Parry (Fencing) as your Passive Defense

Wall of Steel (Shield) - if you have not attacked this Round, then each Rank in this Knack raises your TN to be hit by 2 if you use Parry (Shield) as your Passive Defense
